

Frequently Asked Questions

Is there a fee to join the program?

- No, there is no membership or enrollment fee.

What does the **My Prescription Savings Card** program provide?

- Special pricing on select generic and brand-name medications.
- Discounts on other generic and brand-name medications.
- Discounts on immunizations.
- Discounts on select human-equivalent pet medications.
- A program that works for all members of your household.
- Your card can be used at any participating pharmacy.
- Unlimited use. Save again and again.

Who can join the **My Prescription Savings Card** program?

- Nearly anyone can join. There are no limits on usage and no income or age restrictions.
- Having prescription drug coverage does not disqualify you from using the program.

How do I enroll in the program?

- There are two ways you can enroll:
 1. Visit www.myrxsavingsclub.com to enroll online and print your card.
 2. Ask your pharmacist for an enrollment form. Fill it out and return it to your pharmacist.

How does the Pharmacy Savings Program work?

- Each time you need to fill a prescription, take your membership card to your participating pharmacy.
- Present your membership card along with your prescription to your pharmacist.
- Your prescription will be processed and you'll pay the discounted price.

How can I find out what drugs will receive a discount with the **My Prescription Savings Card** program?

- Visit www.myrxsavingsclub.com and check the drugs listed on the program's Drug List. You can also price your medications by using the drug pricing link.

Can the **My Prescription Savings Card** program be used along with my prescription coverage plan?

- No. The program cannot be used together with any prescription drug insurance or discount cards on any one purchase.
- If you do not have insurance or have prescriptions that may be excluded by your insurance plan, this program can help save you money on your prescription needs.
- If the program has a lower price on your medication than your insurance copay, you can use the program in place of your insurance. Of course, you can use the program to receive savings on prescriptions that are not covered by your insurance.

What else should I know about the **My Prescription Savings Card** program?

- The program is not insurance, it provides savings on prescriptions that may be excluded or not covered by your insurance.
- Prescriptions processed using the program will not count towards a customer's insurance deductible and cannot be used to discount a customer's copay.
- The program discounts cannot be applied in addition to any other discount offers.

Can I cancel my membership in the program?

- Yes. You may cancel your membership in this program at anytime. To cancel your membership contact Customer Care at 1-866-223-9675.

If I have questions, where can I get more information about the **My Prescription Savings Card** program?
